- Emergency Dialing
- Speakerphone
- Answering Machine
- Recordable Memos
- Communication Aid Feature
- SSI© (Secure Spoken Identity)
  - Voice announcing caller ID\*

### The Possum Sero! - Packed with Features

The Possum Sero! provides, for the first time, a loud speaking, remote control telephone and answering machine with AAC communication aid functions. The Sero! can be operated via the majority of Possum, Infrared enabled home controllers and Communication Aids.

### Communication (AAC)

50 User-recordable phrases (each 60 seconds long) allow people with partial or no voice to communicate crucial messages over the telephone.

### SSI© (Secure Spoken Identity)\*

Secure Spoken Identity, using caller ID services, will speak the name of the person calling (if the caller's details are in the phone book). Unsolicited calls can be diverted straight to the answering machine.

### Emergency Dialing Features Include:

- Remote activation of the emergency dial number via the Possum Jive!, Primo!, or any other appropriate infrared device.
- Automatic Help Call function which dials up to 8 contacts until a response is registered.
